**Alpena Alcona Area Credit Union Donates \$500 to Alcona Community Schools Robotics Team**

Location, MI—Alpena Alcona Area Credit Union (AAACU) recently donated \$500 to the Alcona Community Schools Robotics Team 5525. The team competes annually in the First Robotics competitions and gives students the opportunity for hands-on learning in the STEM field; the program allows them to gain real experience they can use for the rest of their lives and careers.

The funds donated will support the program through supplies, transportation costs, competition fees and more. The credit union is proud to sponsor programs that support our area youth in the pursuit of skills and knowledge that will allow them to build successful careers.

AAACU's donation to support **[ORGANIZATION]** is made possible by our Community Investment Fund. These funds are comprised of dollars donated back into our communities thanks to credit union members who choose to receive their monthly statements electronically.
